

## SUPPORT CHILDREN WITH CANCER AS KHC CELEBRATES 10 YEARS

*The 1000 for 100 campaign*

*Volunteer for a good cause!*

Dear

Warm greetings from Uganda. We hope that you and your family are well.

In July 2017, Kawempe Home Care will celebrate its ten year anniversary. It is hard to imagine that from a very humble beginning with no infrastructure and approximately \$100 dollars, the organisation has grown and provided holistic care to over 4,200 people with HIV/AIDS, Tuberculosis and Cancer.

The support that you have provided to KHC helped the organisation grow from infancy to maturity and we are really grateful for your efforts.

In September 2016, KHC opened a hostel for disadvantaged children with cancer to provide accommodation, food, counselling, nursing care and daily transport to the Uganda Cancer Institute, enabling them to access and complete treatment. Eighty percent of childhood cancers in Uganda are curable and so we would like to do all we can to save the lives of the children.

For the sustainability of this necessary service, KHC needs to own the HOSTEL so that we can overcome the burdens of rent and uncertainty about the land lord's plans.

We want to raise US\$100,000 (one hundred thousand dollars) to buy the rental house which can accommodate at least 30 children and one caretaker at any given time.

This is a lot of money and so we have come up with the '1,000 for 100 campaign' i.e. we would like to mobilise 1,000 people to donate \$100 each. To do this, we request you to volunteer some time and become one of the 100 ambassadors and mobilise at least 10 of your friends/family to donate \$100 each to this noble cause. You will be responsible for collecting the funds and wiring them to a designated KHC bank account for this project. The campaign will run until 31 December 2017.

After the campaign, you will be provided with;

- A Medal
- Certificate of Appreciation for volunteering in this fundraising project.
- Your name will be engraved on a plaque on the wall at the entrance of the hostel.
- Acknowledgement on our website with information on the support by you and your family and friends.

To register to become an ambassador, please fill in the attached form electronically and email it to:
