

Merry Christmas

Share the spirit of generosity this festive season with a donation to the New Hope for Children hostel which provides children that are not only disadvantaged but are also dealing with cancer.

A donation no matter how small can make a difference to ensuring the New Hope for Children hostel can continue to provide these amazing, resilient children with a safe and secure environment during their treatment.

US\$50 will assist in paying for clinical investigations.

US\$50 will pay for transport for a child and their guardian from upcountry (home) to the hospital during treatment.

US\$75 will contribute towards our goal of buying the current rented premises so that the hostel will have a permanent home.

US\$20 will assist in providing a Christmas party and a present for the children.

US\$25 can provide furniture and equipment for the hostel.

The hostel provides free the accommodation; meals; counselling; nursing care; legal aid; educational play sessions; and daily transport to the hospital for treatment. Since we opened our doors in 2016 we have helped 180 children and their guardians through this very difficult time in their lives.

If you would like to make a donation the payment details are enclosed or you can email us at: info@kawempehomecare.org

When you donate to Kawempe Home Care you can be assured that your donation will help others who need it. Thank you.
